CHAIRMAN'S MESSAGE

ROAD TIGER ROAD MAINTENANCE L.L.C. has been officially operating since year 2007. The fundamental policy of our firm is to attribute our priority to quality in the production of work and services. The quality production adopted as an inevitable principle in a requirement of our perception.

The basic policy of our company is to become a competitive company in domestic and international market by increasing work efficiency and service quality consistently by keeping up technical developments and new production standards in the world.

We, firmly trust that under the light of our experience and our knowledge in the field of traffic management and with the major contribution of our experience personnel, such as system will serve as an important advantage in the rational management of the existing traffic control devices and equipment. Thus, we have ultimate aim to attribute the priority to the quality of production and services and maximizing the client satisfaction in line with the increasing productivity level.

Experience in advance technology and knowledge of each staff of every department in our company, particularly our experience in traffic management are our biggest assurance for the future of our company. In the other side, our owned equipment provides great advantage in rendering the best services with the usage of the advanced technology and with the great power that our experienced workers provided. We show great effort and determination to have new projects nationwide and abroad

For all the efforts of our staffs, thanks and best sincere wishes to all!

NEMER AWAD

Chairman

QHSE POLICY

ROAD TIGER ROAD MAINTENANCE LLC is committed to meet customer requirements and needs, therefore increasing customer satisfaction through continuous improvement of its services, products, and established management system objectives and the integrated management system.

We maintains safety and environmental management system to facilitate the reduction of the risk and impact associated with our operation, products and services.

Within the framework of our health, safety and environmental management system we commit to:

- Implement an effective Health and Safety Management system to ensure all operations are carried out in accordance with Local, International or Customer specific Health & Safety practice.
- Through appropriate delegation of authority, ensure responsibility for Health and Safety at all levels within the Organization.
- Provide effective training and development for all employees to improve their capability to identify and manage the risks normally associated with the nature of our work.
- Maintain credible and accurate records of all incidents and occurrences, which can be used to produce meaningful statistics against which continuous improvement initiatives can be measured.

Our employees are in strict compliance with the UAE health and safety legislation and current ministerial orders, including Technical Guidelines issued by the Environmental, Protection and Safety Section (EPSS). This policy shall be available to interested parties who may be affected by our work including the general public as situation requires.

MOHAMMED NEMER AWAD

CEO

VISION

ROAD TIGER ROAD MAINTENANCE L.L.C. will provide traffic management at a consistent level of service, reliability and efficiency not seen before in UAE, with the aim of becoming the most reliable and trusted provider of traffic management in the country.

With our main office strategically located in Abu Dhabi, all company's activities are spread across Abu Dhabi and now ideally positioned to expand its operations in the rest of United Arab Emirates and other countries.

MISSION

At ROAD TIGER ROAD MAINTENANCE L.L.C mission is to provide the world's best transport system which is safe, reliable, efficient and environmentally friendly, satisfying to both users and operators.

We deliver mainly temporary traffic management design & build services to main road contractors. With changing business development trends and emerging business demand addressing continuous improvements of the practice, due diligence, excellence and road safety.

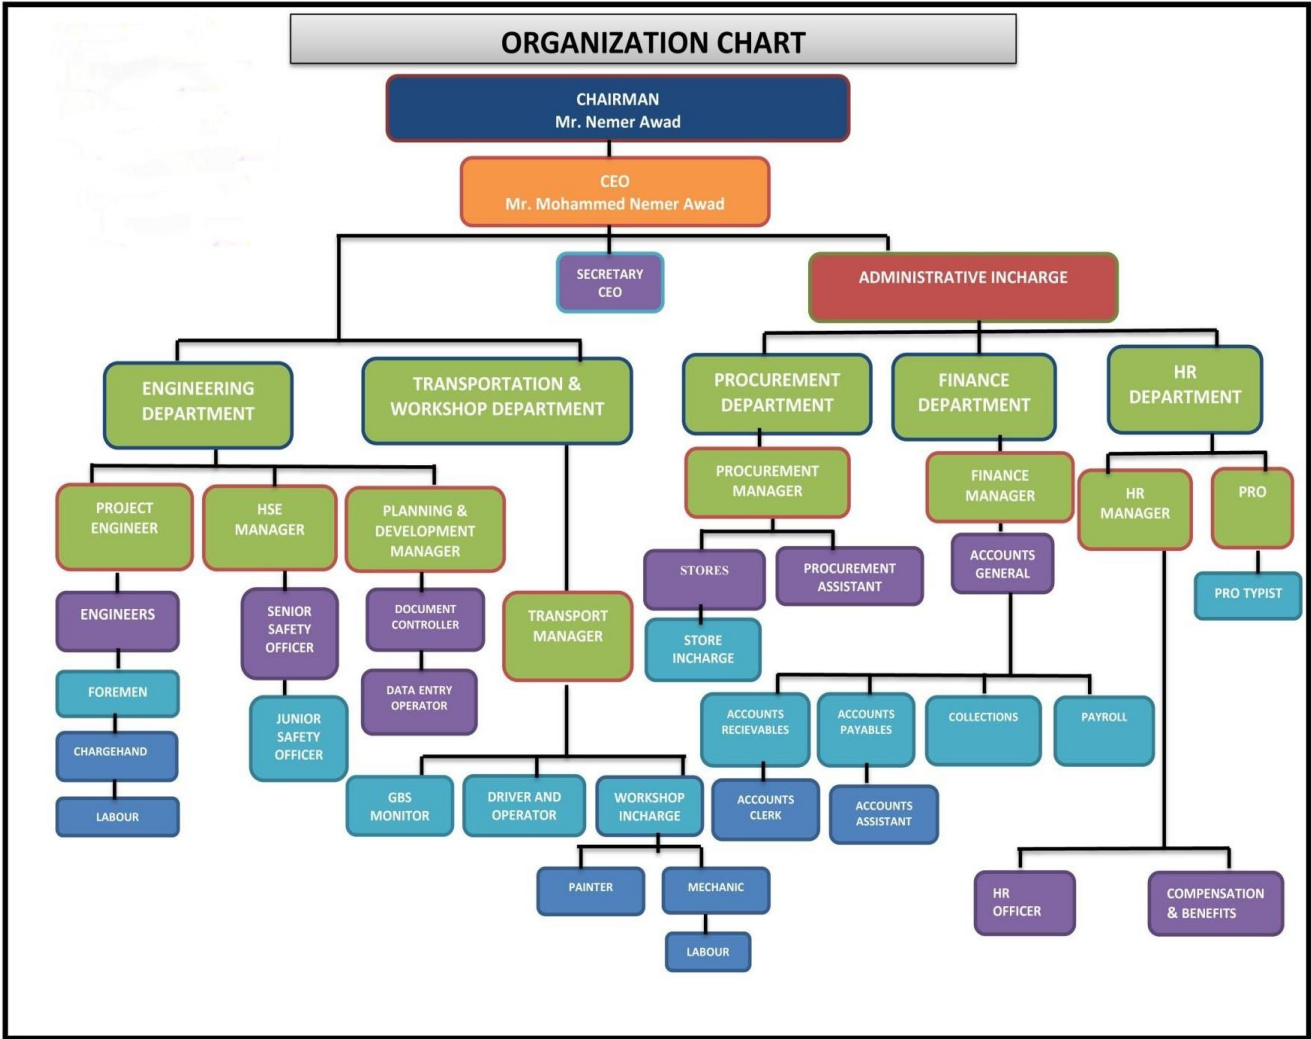

The company's philosophy places emphasis on its role and responsibility to help in the protection of the road user's, construction teams and all other interested parties and is particularly characterized by its unflinching social commitment and incessant drive towards excellence in all spheres of its activities.

Baynounah Forest to Al Mirfa
Contract No: PD/CA/BPS/AG/R21/P147-2014-DOT/14/026

Subject: **Submission of Prequalification Documents of M/s Road Tigers Road Maintenance LLC for Traffic Management & Traffic Diversions**

Dear Sir,

With reference to your letter no. AJC/RDBU632/3A/MUS/0060 dated 03 Dec 2014 and submittal M/s Road Tigers Road Maintenance LLC for Traffic Management & Traffic Diversions. We would like to inform you that we have no objection for this proposal subject to the following:

- The proposed sub-contractor, M/s Road Tiger Road Maintenance for Traffic Management & Traffic Diversions are previously approved by M/s Musanada and got ample previous experience in traffic diversions and safety issues related to traffic management.
- M/s RTRM LLC got enough previous experience with various agencies in the same portfolio and the discipline.
- Also it is observed that they got the required equipments and manpower and materials to satisfy the traffic diversion needs such as traffic management, maintenance and monitoring, safety etc.
- The expired commercial license needs to be renewed and submitted for our record.
- The company got appropriate ISO registrations viz. ISO 9001-2008, 14001-2004;18001-2007

Based on the above we do not have any objection to approve the same company subject to the legalization by renewing the commercial certificates.

This is for your information and necessary action.

Yours faithfully,

Husam Hammad
Project Manager

Project: TRIP Contract No. 1401
Completion of Development Works of Sheikh Zayed Bin Sultan Street from Al Falah
Intersection to Sea Palace Intersection

Subject: Prequalification Document for M/s. Road Tiger; Temporary Detour Works

Reference: 1. AECC Transmittal Ref. AECC-PRE-DCIL-0004 dated 19/Sept/2016
2. DCIL ltr 648051-OC-0055 dated 26/Sept/2016

Dear Sir,

Further to the above referred Transmittal, we have reviewed the subject document and found it acceptable. Accordingly, we have no objection for approving **M/s. Road Tiger, as subcontractor for Temporary Detour Works** in this project.

However, this approval does not relieve AECC of their responsibility for conformity to the Contract Specifications and satisfactory performance of their subcontractor.

This is for your information and necessary action.

Sincerely,

Mahmoud S.A. Abdelaziz
Resident Engineer

PRE-DCIL-0004 بتاريخ ١٩
سبتمبر ٢٠١٦: أعمال التحويلات
المرورية المؤقتة

Dear Sir,

Please find attached copy of M/s Agility Engineering
Contracting Transmittal No. 0004 dated 19th September,
2016 ref. no. 1) above, transmitted with the Prequalification
Documents of M/s Road Tiger as Subcontractor for
Temporary Traffic Detour Works.

تحية طيبة وبعد،،،
مرفق لعنايتكم طيه نسخة من خطاب السادة/ أجليتي رقم 0004
بتاريخ ١٩ سبتمبر ٢٠١٦ (المرجع رقم ١ أعلاه)، والذي يتضمن
وثائق تأهيل السادة/ Road Tiger كمقاول باطن لتنفيذ أعمال
التحويلات المرورية المؤقتة.

We have completed our review of the Contractor's proposed
subcontractor prequalification for Temporary Traffic Detour
Works and found it to be acceptable.

لقد أكملنا مراجعة تأهيل مقاول الباطن المقترح لتنفيذ أعمال
التحويلات المرورية المؤقتة ووجدناه مقبولا.

We kindly request you to review/approve the contractor's
proposed subcontractor's prequalification for our further
action.

نرجو من عنايتكم مراجعة واعتماد تأهيل مقاول الباطن المقترح
من قبل المقاول الرئيسي حتى نتمكن من اتخاذ الإجراء اللازم.

This is for your information and necessary action.

مقدم لسعادتكم للتفضل بالعلم واتخاذ الإجراء اللازم بهذا
الخصوص.
وتفضلوا بقبول فائق الاحترام والتقدير،،،

Very truly yours,

Hosam Heika
